

REMARKS

Reconsideration of the application is requested in view of the amendments to the claims and the remarks presented herein.

The claims in the application are claims 1 to 7, no other claims having been presented. Claims 1, 2 and 6 stand allowed.

Claims 3 and 4 were objected to and claim 3 has been amended as suggested by the Examiner and claim 4 now has proper antecedent basis in claim 1. Therefore, claims 3 and 4 are now deemed allowable.

Claim 5 was rejected under 35 U.S.C. 112, second paragraph as being indefinite. Claim 5 has been amended to delete the preferred clause which has been presented in new claim 6. Therefore, withdrawal of this ground of rejection is requested.

In view of the amendments to the claims and the above remarks, it is believed that

the claims point out applicant's patentable contribution and favorable reconsideration of the application is requested.

Respectfully submitted,
Hedman and Costigan
